A REMARKABLE STATEMENT

Mrs. Sheldon Spent \$1900 for Treatment Without Benefit. Finally Made Well by Lydia E. Pinkham's Vegetable Compound.

Englewood, Ill.—"While going through the Change of Life I suffered with headaches, nervousness, flashes of heat, and I suffered so much I did not know what I was doing at times. I spent \$1900 on doctors and not one did me any good. One day a lady called at my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well, so I took it and now I am just as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Insane Hospital."—Mrs. E. SHELTON, 6667 S. Halsted St., Englewood, Ill.

Physicians undoubtedly did their best, belted with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

If any complication exists it pays to write the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.

WHAT IS THIS MONSTER!

I am more powerful than the combined armies of the world.
I have destroyed more men than all the wars of the nations.
I am more deadly than bullets, and I have wrecked more homes than the mightiest siege guns.
I steal, in the United States alone, over \$300,000,000 each year.
I spare no one, and I find my victims among the rich and poor alike, the young and old, the strong and weak. Widows and orphans know me.
I loom up to such proportions that I cast my shadow over every field of labor, from the turning of the grindstone to the moving of every railroad-train.
I massacre thousands upon thousands of wage earners a year.
I lurk in unseen places, and do most of my work silently. You are warned against me, but you heed not.
I am relentless.
I am everywhere—in the house, on the street, in the factory, at railroad crossings, and on the sea.
I bring sickness, degradation and death, and yet few seek to avoid me.
I destroy, crush and maim; I give nothing, but take all.
I am your worst enemy.

Answer: "I am carelessness."—Toledo Blade.
